

ALATUS

A E R O S Y S T E M S

CLIMB HIGHER. INTEGRATE BETTER.

## QUALITY POLICY

ALATUS Aerosystems is committed to exceeding our customers expectations in our steadfast pursuit to provide zero-defect products in accordance with our customer and AS9100 requirements. ALATUS Aerosystems management team takes personal accountability for integrity and excellence at all levels: Individual, Team, Process, and System. Quality Objectives are constantly reviewed and established to improve our products, services, and customer satisfaction. Our commitment to quality is the foundation for the Continuous Improvement drive inherent in our Business Management System.

A handwritten signature in black ink, appearing to read 'Scott Holland', with a long horizontal stroke extending to the right.
